Welcome

A Toastmasters Area Conference, being an inter-area competition is an opportunity for members to step up their speaking performances. Winners from local Clubs are vying for the chance to compete at the next level (Division). In addition to competing, the day provides an opportunity for members to enjoy the company of existing friends, meet new people, develop judging skills, enjoy entertaining and inspirational speeches, fill up on tasty tucker and win some fabulous raffle prizes.

We would love you to bring friends, family, other guests as well as your **Best Joke** (there will be a prize) along to this event.

Enjoy!!
